## GRAND KNIGHT'S REPORT

Brothers All,  
We have had a hot and busy month. This month we brought in a new member; held the Altar servers and

Youth Councilors pool party and cook out; our regular Donut Social; and the Parish Picnic. The weather was great for the picnic - thank all you prayer warriors. All were a success with lots of good help. Thanks to all who lent a hand.

Remember to invite a friend or relative to join our group. Until next time.

Fraternally yours,  
Grand Knight Dan Greenwell

Dorian A. Tavarez

## DISTRICT DEPUTY REMARKS

### My Brothers

Can you believe that a month has already gone by in this fraternal year? Now is the time to ask yourself

## The Value of Membership Referrals

As a professional insurance agent, one of the things I appreciate most is when one of my brother Knight clients or his wife refers another member to me. This is a great endorsement of the service I provided. It tells me that they were so pleased with what I helped them accomplish that they want me to help others achieve the same level of financial safety and security. When I meet with you, please pass along the names of those who might be able to benefit from the analysis that I provide.

Similarly, there is no stronger membership recruiting tool than the referral. How many of us know an eligible Catholic male who is not a member of the Knights of Columbus? Do you have Catholic family or friends, local or not, who have yet to join? Most likely, they've never been asked and don't know enough about the Order to seek out membership on their own.

If you have names of potential members, please pass them along to me or your Grand Knight. Let us know if we can use your name when we contact the gentlemen in question. It's always more effective to tell a candidate for membership that he was recommended by a current member, especially someone he knows. Don't worry if the candidate is outside the area I serve or beyond the district of the local councils, we can make sure we put these future members in touch with the right people in their communities.

New members are the lifeblood of the Order. All the good deeds done by the Order are driven by the members. Over the past decade, Knights have given more than \$1.55 billion to charity and provided in excess of 673 million hours of service. And our membership has merely scratched the surface in North America. Imagine the potential.

the following Questions: Where am I now? What are my goals? Am I being realistic in the goals I've set? What corrections if any need to be made. As you've heard a thousand times that good planning and the execution of those plans equals success. If you need any help or advice, now is the time to ask. Your DD, State Officers, and Supreme are eager for your success.

Council growth happens in several ways; First; from expanding and enhancing your council and charitable events. The more visible your events, the more enjoyable your events, the more individuals will want to be part of them. Second; is from bringing in new members that bring with them new ideas. Third; is by re-engaging with the missing members. Reach out to the gentlemen you

recruited over the past years and see how they and their family are doing. Extend the fraternal welcome and see what happens. If you are one of the missing council members, comeback to see what and who is new. "It is in giving that we receive".

October will be here before you know it. Start making plans to attend the premier social event of the year for the Knights of Columbus, the Columbus Day Ball. You may even hear your name called as the winner of a new Ford Mustang. Talk it up in your council and get your reservation in.

Tootsie rolls should arrive sometime in mid to late August. As soon as I receive them, I'll get them out to the councils.

Vivat Jesus,

SK Bob Bowles  
Knights of Columbus  
District Deputy Maryland District #3
